Applicant Guidelines and Information

Mount Vernon CARE Ministry and Benevolence Assistance are here to help meet resource needs of applicants but it is also our desire to represent the love of Christ and help meet any spiritual need at the same time. Please read the information below regarding our accountability procedures and let us know if you have any questions.

- ❖ We attempt to help meet specific needs during verifiable crisis or emergency situations for applicants who are working hard and aggressively seeking gainful employment.
- ❖ We will always invite you to join us for Sunday School and Worship before we will disperse any financial assistance. We have services at 8:15, 9:45 & 11:15 AM. We will arrange for a member of our CARE Team to welcome you and help you to find your way around. This CARE Team member will let us know of your attendance.
